

Descendants of Olive/Olivia LAMBERT born Bitteswell, Leicestershire, England circa 1833

Olive, later known as Olivia, appears to have been the daughter of Sarah LAMBERT born Bitteswell who married John FLINDERS at Repton, Derbyshire in 1838.

Olivia first married Richard NORTON in 1853 but he died a few months into their marriage although not before he fathered their only child, Sarah NORTON, born 1853. Olivia remarried to John SCOTTON in 1855. On the marriage certificate to NORTON she is reported to have been the daughter of John LAMBERT who I conclude was actually her late grandfather. The baptism entry for Olive only includes her mother Sarah, so it is assumed that she was illegitimate. Witnesses appear to be her half uncle Joseph GAMBLE and his wife Mary nee DRAPER. Olivia died Leicester, Leicestershire, in 1895.
